## THEME 4 - LEGAL ASPECTS

### THE UNDERTAKING (SAMPLE TEXT)

**1.** [Name of the applicant host city], as well as all other public authorities involved in the bid project, recognize and declare that they are aware of the contract which shall be executed with the IWGA if the city is selected for the organisation of TWG 2033 (such contract being referred to herein as the “Organiser Agreement”) and are prepared to sign the Host City Contract without reservation or amendment.

**2.** In consequence thereof, the city and the other public authorities declare that – during the period of the city’s candidature – they will refrain from becoming a party to or approving or consenting to any act, contract, commitment, or any other action contrary to, or which might affect, any of the obligations stipulated in the Host City Contract.

**3.** Should the city and other public authorities involved in the bid project have already entered into, approved, or consented to a commitment which would be in conflict with, jeopardize, prevent, or make impossible the fulfilment of any provision of the Host City Contract, the city and the other public authorities shall bring all such commitments to the attention of the IWGA Executive Committee. The city and the other public authorities involved in the bid project declare that all such commitments shall neither be enforced nor enforceable vis-à-vis the IWGA and that such commitments shall be deemed, as regards the IWGA and any party with which the IWGA may enter into an agreement with respect to the TWG 2033, to be null and void, unless approved in writing by the IWGA Executive Committee. Furthermore, the city and/or the IWGA shall take all necessary steps to terminate or cause to be terminated all such commitments which would be contrary to obligations stipulated in the Host City Contract.

**4.** The city and all other public authorities involved in the bid project undertake to abide by the IWGA Constitution and Regulations and any directions of the IWGA Executive Committee regarding the use of the marks and symbols of TWG 2033.

**5.** The city and all other public authorities involved in the bid project have ensured, or shall ensure, that symbols, marks and other designations as determined by the IWGA Executive Board for TWG 2033 are protected in the name of the IWGA and/or have obtained, or shall obtain, from their competent national authorities, adequate and continuing legal protection to the satisfaction of the IWGA and in the name of the IWGA. The city has brought this provision to the attention of the competent authorities and confirms that these authorities have agreed, or shall agree, with its contents.

**6.** The city and all other public authorities involved in the bid project declare that any dispute arising during the period of the candidature of the city, in connection with this Undertaking, shall be definitively settled by the Court of Arbitration for Sport in Lausanne, Switzerland, pursuant to the Code of Sports-related arbitration. Swiss law shall be applicable to this Undertaking.

**7.** This Undertaking shall remain in full force and effect until it is superseded on the date of the award of TWG 2033 by the provisions of the Host City Contract.

### THE COVENANT (SAMPLE TEXT)

... [Name(s) of the duly authorized representative(s)] hereby confirm(s) that the government of [name of the host country/regional authority of (name of the region)/local authority of (name of the city)]

**1.** Guarantee(s) the respect of the IWGA Constitution and Regulations and the Host City Contract;

**2.** Understand(s) that all representations, warranties and covenants contained in the applicant host city’s bid documents, as well as all other commitments made, either in writing or orally, by either the applicant host city or other public authorities involved in the bid project shall be binding on the city;

**3.** And guarantees that it will take all the necessary measures in order that the city fulfills its obligations completely.
